Year book

JUL 5 '73

psst what's number five?????

who made the salad?????

you've got the cutest little baby face.

you gotta go . you gotta fight

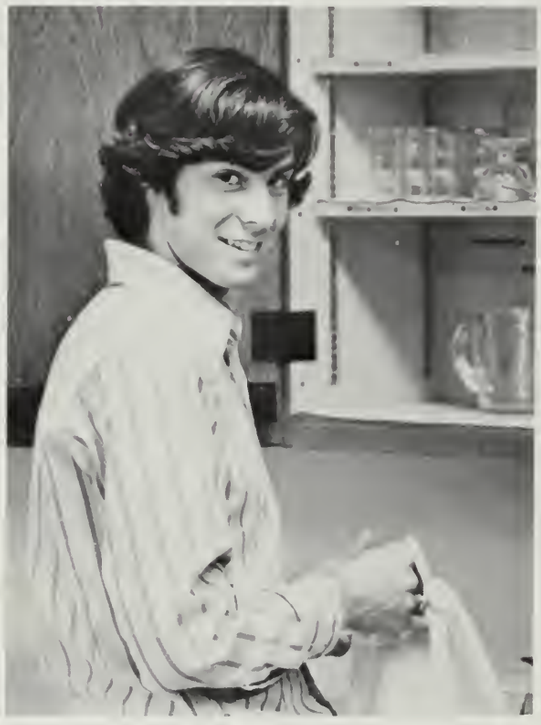
i can't get over this.

10

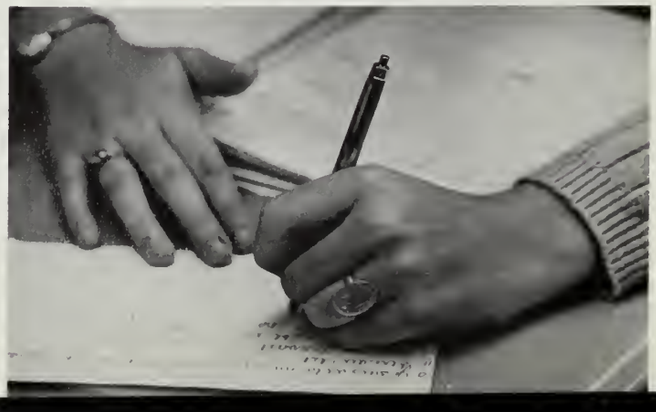
it's only a book only a book only a

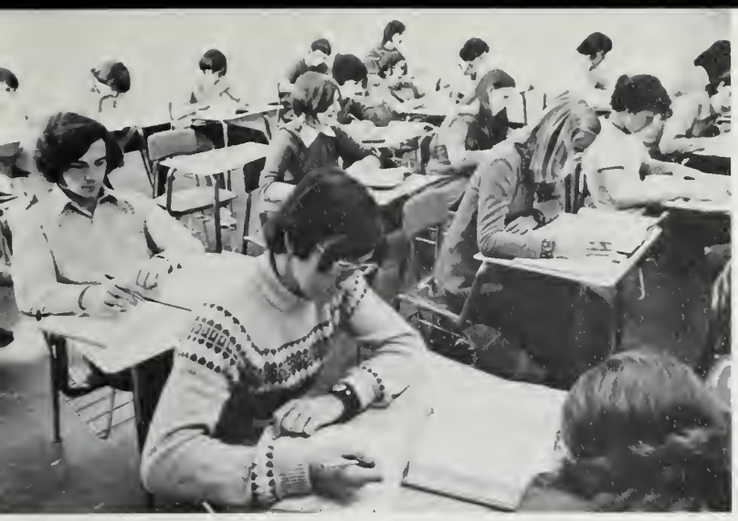
if i flunk this test, i'll be grounded for sure.

i don't get it, but i'll laugh along.



i'll make someone a good wife someday.

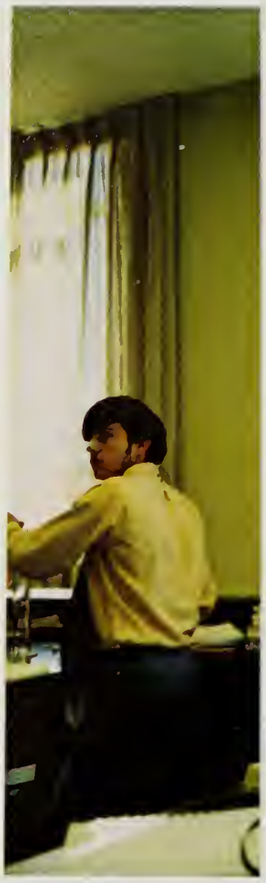


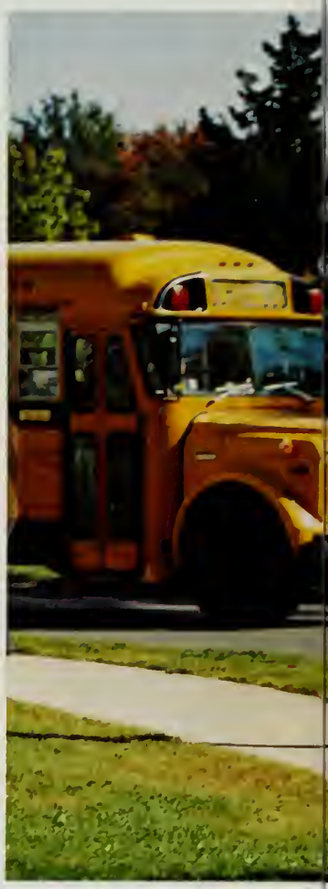


someone mention milk and cookies??

don't worry he'll get writers cramp someday.

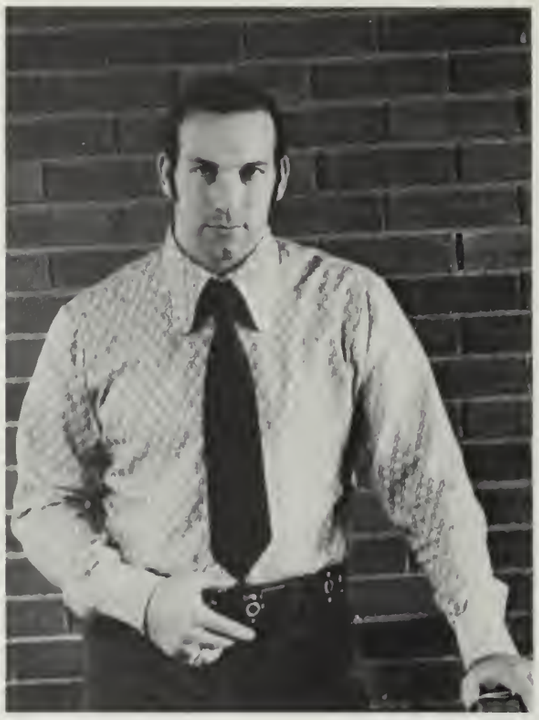
do you think anyone will know we're skipping??



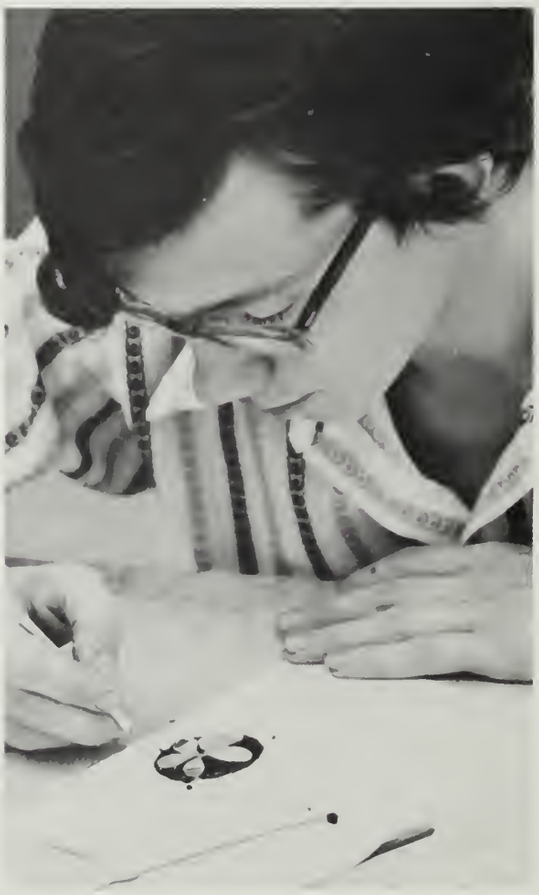


don't tell me you busted the language lab again?

alright, ladies say cheese pizza.

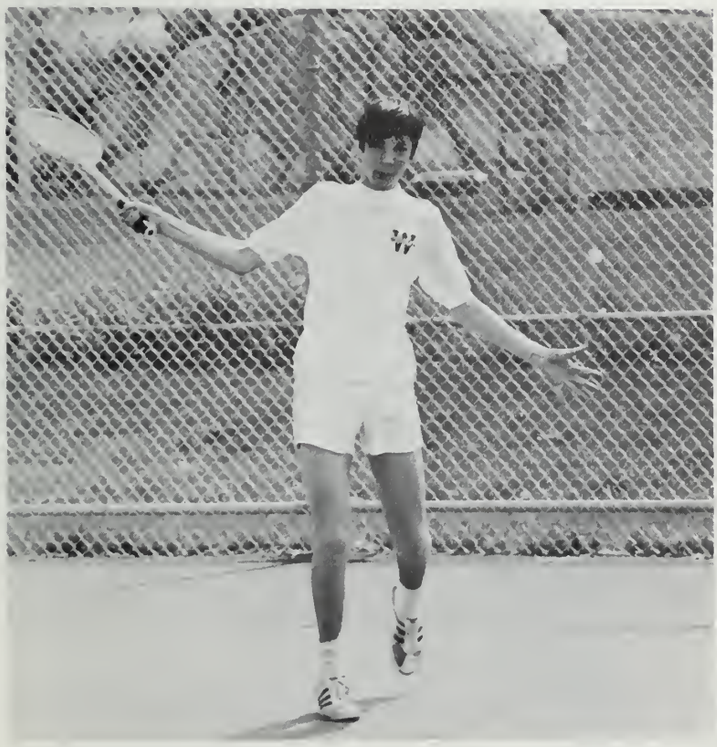


one false move and you're dead.



ya, i'll admit i'm cool.

you did that? be thankful you're not my son, buddy!



if looks could kill

one quick kiss before i play.

can i have a drag?

move the rake!!!!

another episode of "as the stomach turns"

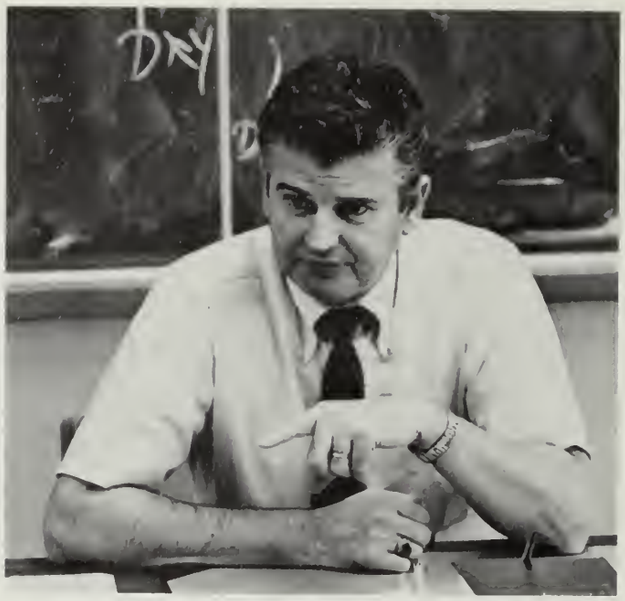
peanut butter and jelly *again?*

"well, tiger, you're not so bad yourself"

now there's someone i can look up to.

up, up, and away!!!

if i stick my finger in that socket, will i get bzzzzzzzz!!!!!



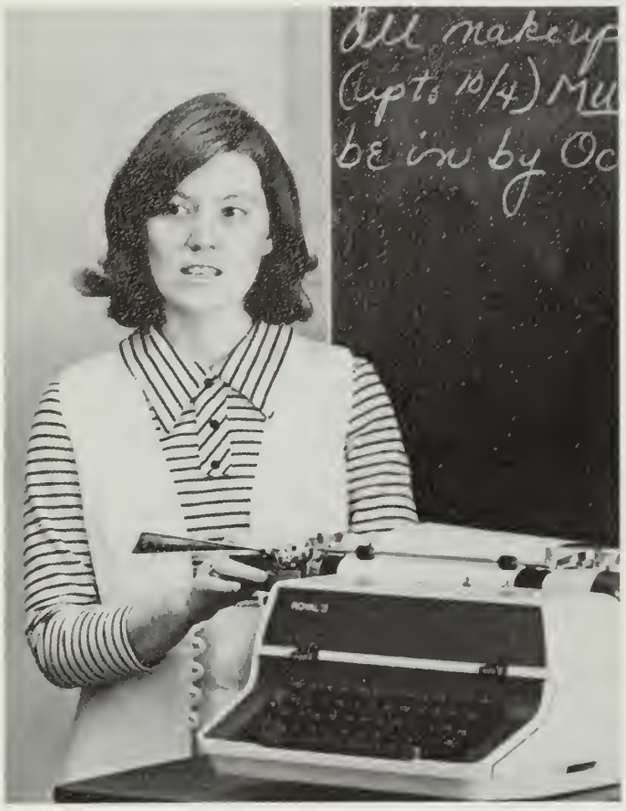
are you following what i'm saying?

how dare you take my picture!

could i have that number again???

she wore an itsy, bitsy, teenie, weenie

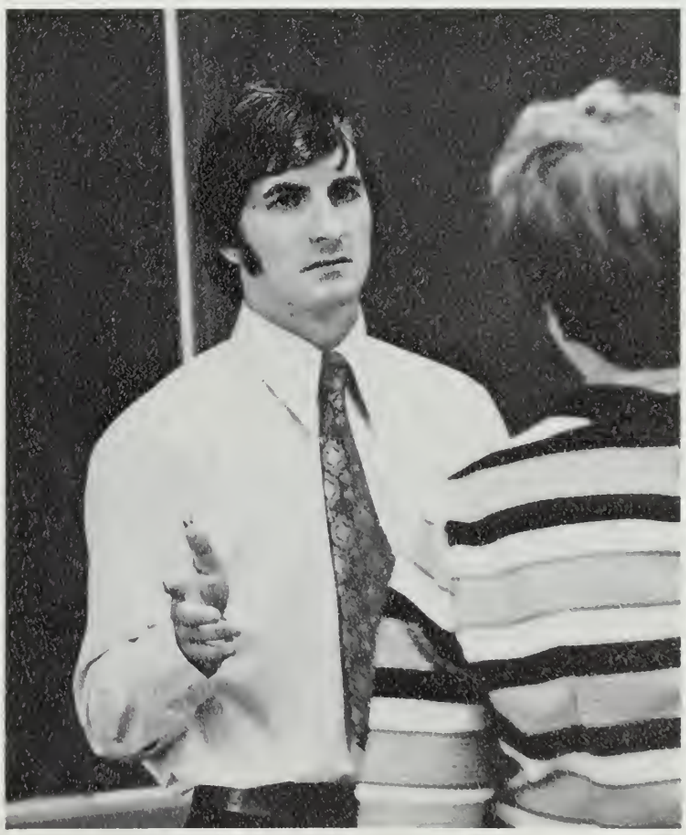
watergate???



this is a typewriter!!!!

dear john

oh, did i ever tell you about what those sausages are made of???



ok, up against the wall with your hands up.

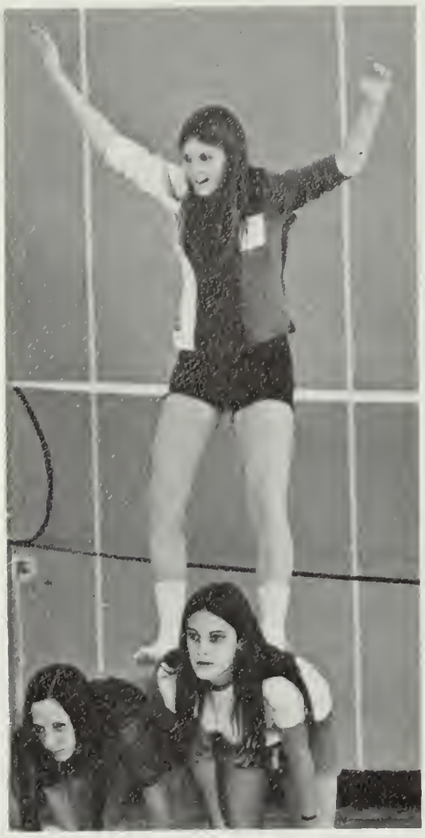
the ups and downs of gym class.

nothing up my sleeve

was that 5 milileters of hcl or 6??

those crash diets are *murder*.

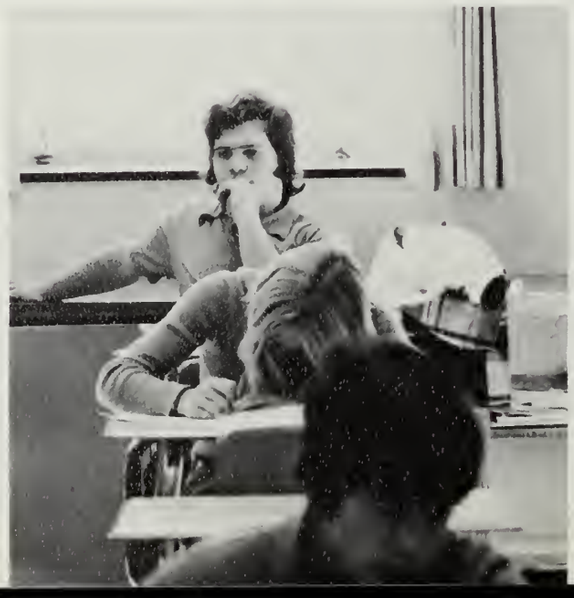
i *thought* there was a 4 o'clock bus.



aren't you glad you use dial?

don't you wish everybody did?

don't ever say *that*, they'll shoot you!!



another exciting funfilled year.

good student . . . but that dandruff

basement pass . . *please!!!!*

i'll never find a seat.

alright who took this boy's amoeba???

a little office humor very little.

lutz's the name, film's my game.

give me that ol' soft shoe.

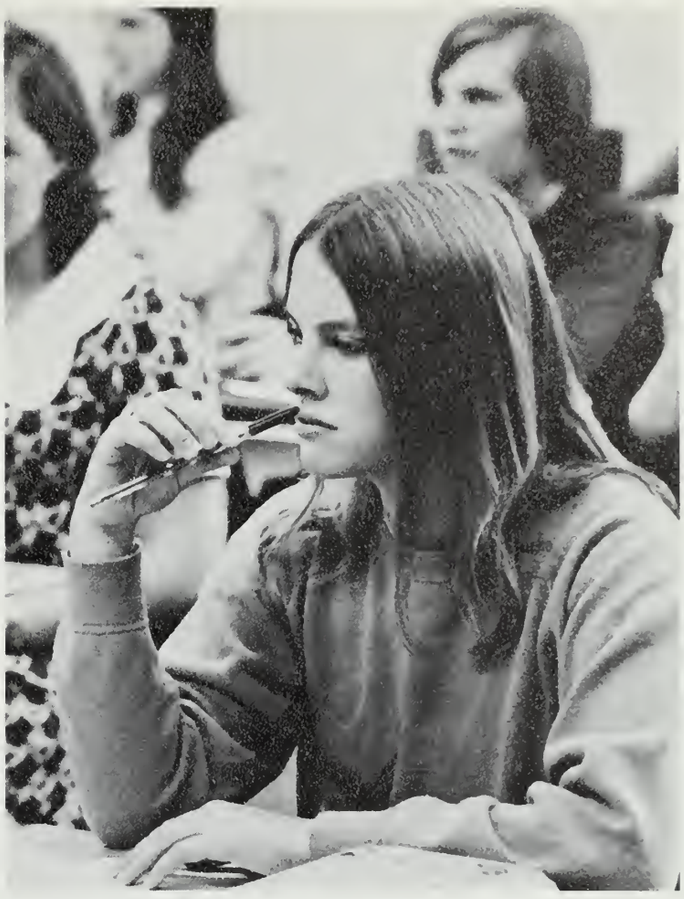
doesn't number 33 have bad breath??

i'm sick of hanging around.

i just washed my hair and i can't do a thing with it.

what was that broad's name again?????

how you say uh

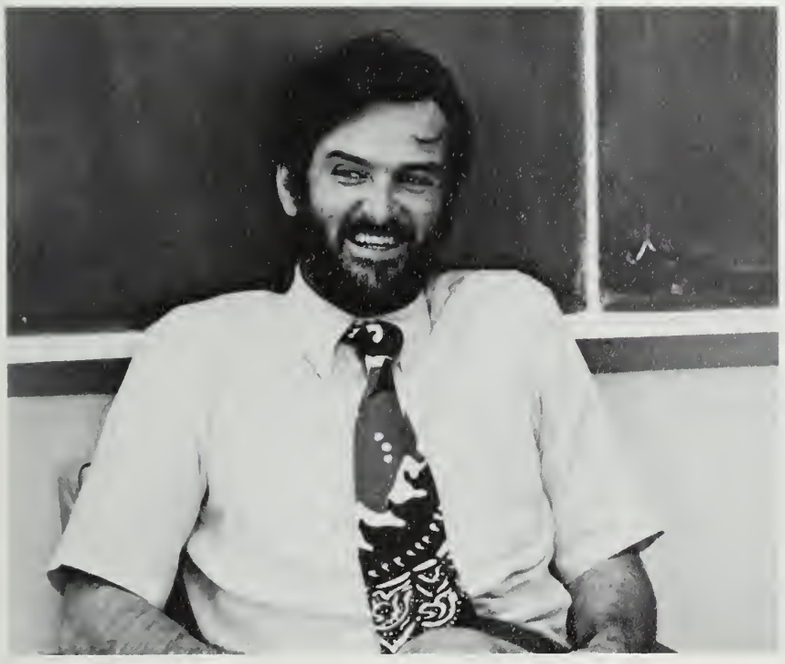


oh you have to *press* the keys?

how can you still be in this class and tell me that you don't know the square root of 72,965?

oh! if i could only have a bite of that candy bar!

well . . . i'm only five minutes late.



guess you had to be there

i thought that the final exam was *next* tuesday.

my girdle is killing me.

somehow, i just don't care for this seating arrangement.

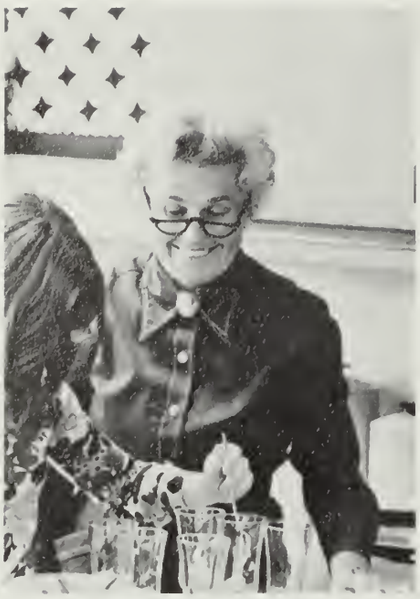
i'd never wear anything like that.

and they called it puppy love

what do you mean you missed the bus?
you live right across the street!!!!!

the basic "dups" and her wheels.

are you feeling alright, kid?



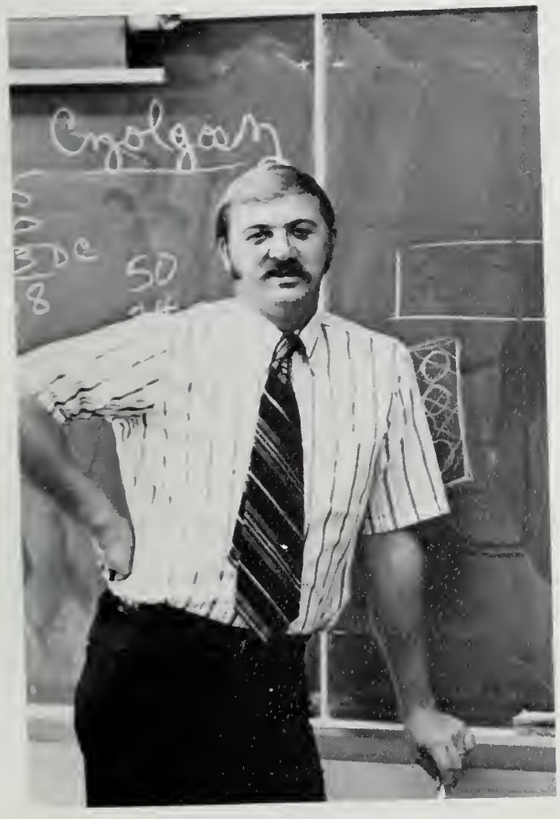
oh. heavens to mergatroid!

gotta find a woman gotta find a woman

i hope they don't find out i took some candy from mr. wheeler's desk.

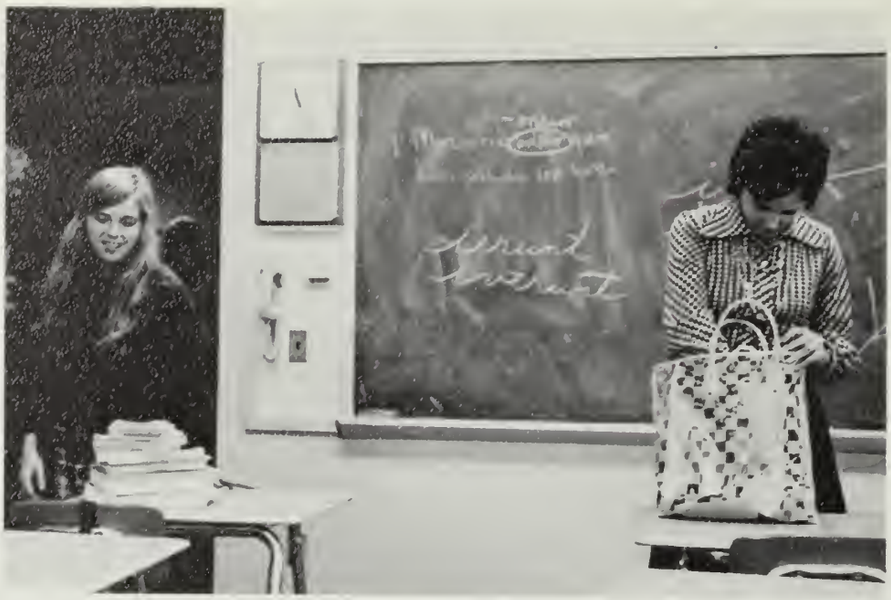
let's see, a lb. of butter, a dozen eggs, ½ gallon of milk . .

the dowsing wizard.



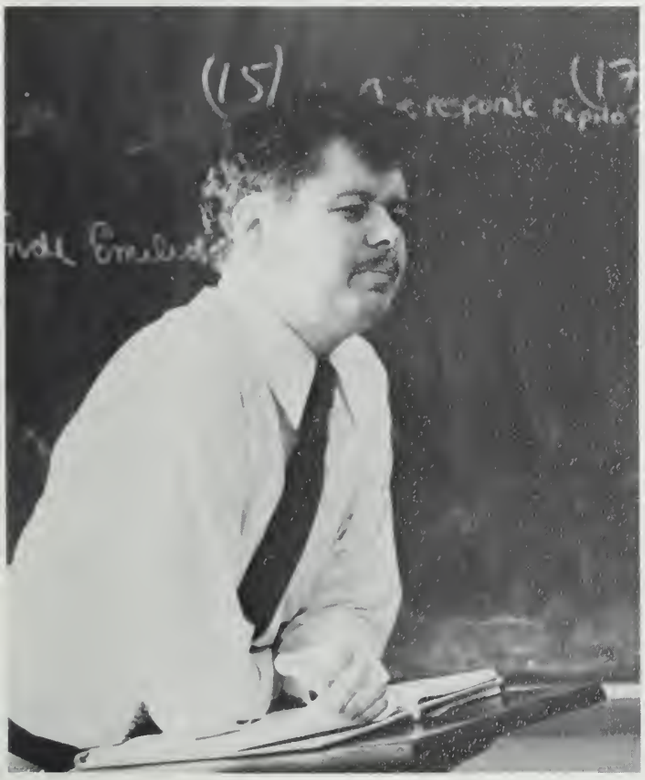
el frito bandito

"watch me pull a rabbit out of my bag."



i don't believe i'm eating the whole thing.

after that play i felt two inches tall.



"do you really expect me to believe that?"

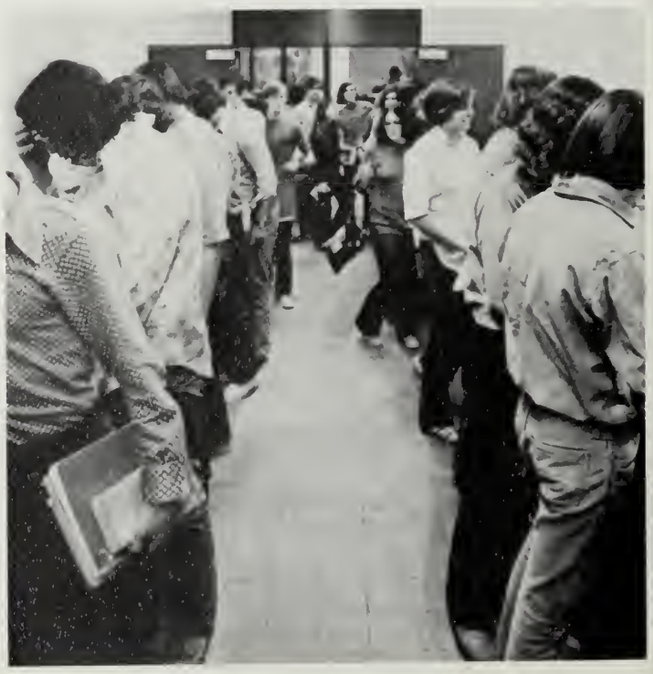
the look of love?

alone again naturally.

(ha!) she sat on it!!!

1-adam-12, 1-adam-12, 411 in progress

that's enough to sweep you off your feet.

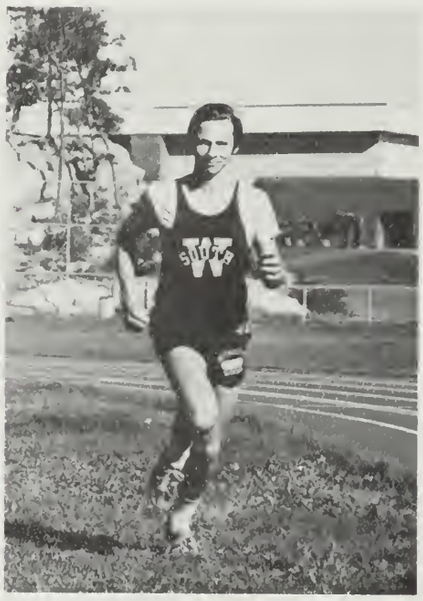


bad case of the munchies

you mean i have to jump over that bar?

how's it feel, reg?

does your mother know you're reading that?



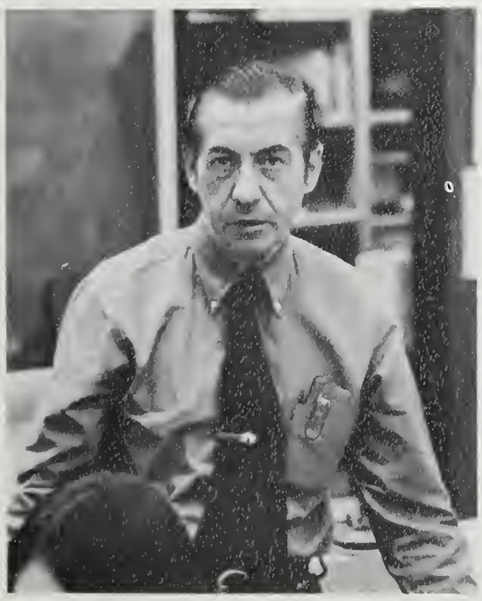
proud? who me?

i've always been a non-conformist.

once upon a time

where's that funny smell coming from???????

come here and say that!!!



got any other bright ideas???

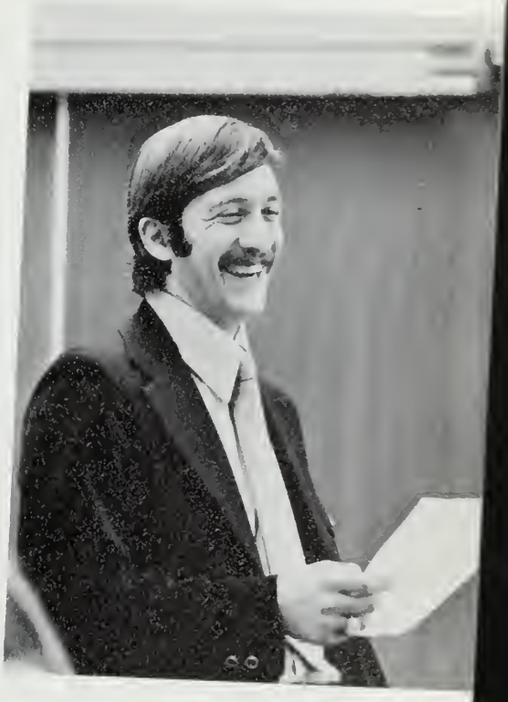
like they say some got it some don't.

oh, would you take a look at that rag.

is she watching me jump?

sort of gets ya . . . right there.

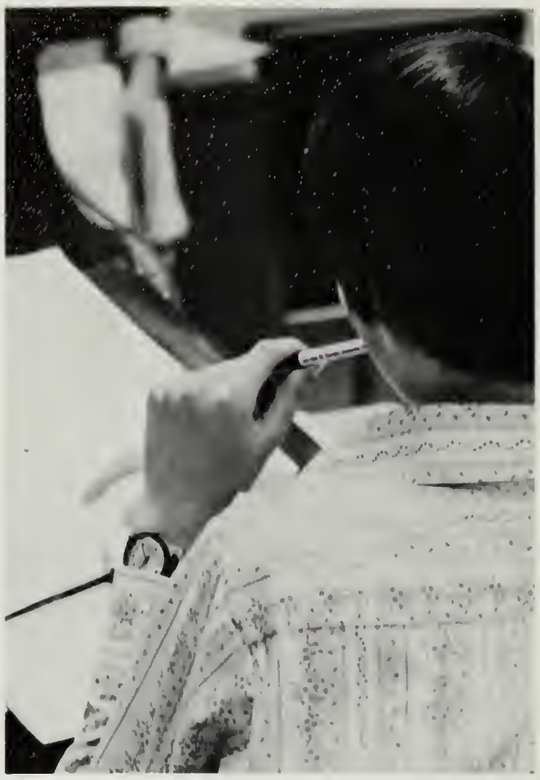
hold that pose!



I guess emilio told *her* where to go.

do you think they'll notice my new ring?

how was it, jeff?



look . . . i'll pay you back tomorrow.

stu's on the scoop
or
excuse me, but did you happen to see a yellow butterfly around here?

but i didn't mean to do it!

straight up or on the rocks?

faculty

wilbur stanton — principal

ray granai — assistant principal

james wheeler — assistant principal

frank amoroso — business

adele avitable — homemaking

At The Edge
by Linda Rusconi

At the edge
Of a smile,
There once was
A land
Where dreams
Flowed as easily
As the waves of
The sea
And cares
Carried themselves
Away in the wind.
In that land
Lived a boy
Who could
Fly with the wind,
Speak the language
Of the gulls,
And smile at the sea.
One day,
As he was collecting
Pebbles from the sand,
He saw in the sky
A sparkling sun-stone.
He began
To reach for it,
But, the sea snatched
Him quickly away.
The boy struggled
Until she
Let him free.
Once again he
Began to reach
And stretch
And climb
For the shiny
Yellow stone.
Till one day
He grasped it
In his hand.
Below,
The sea paced
Her tides endlessly,
The gulls cried
Day upon day,
And the wind
Whispered his name
To every star in heaven.
Years passed.
Yet the boy never returned.
But, one day
Near the edge
Of the sea
A man appeared.
And in his hand
He held
A shining stone.

Untitled
by Queen Elizabeth I

I grieve and dare not show my
discontent
I love and yet am forced to
seem to hate
I do, yet dare not say I ever
meant,
I seem stark mute but
inwardly do prate
I am and not, I freeze and
yet am burned,
Since from myself another
self I turned.
My care is like my shadow
in the sun,
Follows me flying, flies when
I pursue it,
Stands and lies by me, doth
what I have done.
His too familiar care
doth make me rule it.
No means I find to rid
Him from my breast,
Till by the end of things
it be suppest.

Some gentler passion
slide into my mind,
For I am soft and made
of melting snow;
Or be more cruel, love,
and so be kind.
Let me float or sink,
be high or low
Or let me live with
some more sweet content,
Or die and so forget what
love ever meant.

You're about to take a giant step forward into your future.
We think we can make it the bright one you want it
to be at New England Telephone. With a job that's every
bit as big as your ambition. You see, we need people.
With all kinds of talents. And especially, people who
really want to get going with their future. And want to
be rewarded with automatic raises. If you want
a job and a future that's tailored to your talent...
along with unusually generous fringe benefits, stop
in and see your guidance counselor. Ask when and
where you can apply for an interview with the people
who want to make your future as happy as you want
it to be.
New England Telephone An equal opportunity employer
